#### § 1435.500 General statement.

(ii) The previous consecutive 3-year simple average sugar beet or sugarcane yield on that acreage while under contract (years with no production contracted with a producer will not be considered (for first-time producers, however, the previous consecutive 3-year simple average sugar beet or sugarcane yield for all the producers under

(c) If planted, the diverted acres cannot be grazed until after the sugar beets or sugarcane are destroyed by disking, plowing, or other means of mechanical destruction. In addition, the sugar beets or sugarcane on the diverted acres may not be used for any commercial purpose.
